The minutes from the 3/10/06 were approved. John Davis was listed as both absent and present; he will be deleted from the absent list before the minutes are posted. Ms. Jennifer Moore gave a PowerPoint presentation on enrollment trends with an update on fall 2006 enrollment at the end. Ms. Carla Lowery gave a PowerPoint presentation on Campus Surveys. Her presentation included information on results from the Spring 2006 Commencement Survey and the Spring 2006 ACT Survey of Student Opinions. Dr. Patricia Donat gave a PowerPoint presentation on the spring 2006 course evaluations. For the first time, the course evaluations were distributed on-line through Class Climate software. Handouts of the PowerPoint presentations were given to the audience. Also, the following survey handouts were made available: ACT Survey of Student Opinions, Spring 2006 Commencement Survey, Commencement Survey results, and Analysis of Additional ACT Questions. Dr. Donat also distributed Dr. Limbert's e-mail which listed her approved University Planning Priorities. There was discussion of the priority of increasing diversity. Faculty demographics and diversity will be discussed at the next PIE Council meeting.
