Student Achievement Update

Carla Lowery, CIO and SACSCOC Liaison, provided an update on the Student Achievement Data that is a SACSCOC core requirement under 8.1. The data is now published on the university website at <https://www.muw.edu/intra/achievement>.

PIE Council Assessment Reviews of 3-Years

Elizabeth Carter, Assessment Specialist, provided an overview of the PIE Council subcommittee groups' reviews of the university's Academic and Non-Academic Units' assessment results for the past three years. Carla also reminded PIE Council that this review process will be included in the documentation for the SACSCOC 5th-Year Report, due March 2020, and for the 10-Year Report, due September 2023.

2018-2019 Graduation Survey Results

Elizabeth Carter presented the 2018-2019 Graduation Survey results.

Data Requests

Jennifer Moore, Director of Institutional Research and Assessment, updated PIE Council on IHL's census date situation and explained that any data requests will be postponed until said situation is concluded, because the data requests and publications are contingent on IHL's census date.

The meeting adjourned at 2:21 p.m.
