

TITLE: Selection of Who's Who Among Students in American Colleges and Universities

AUTHOR: Student Government Association

EFFECTIVE: September, 1981

PURPOSE: To provide guidelines for the selection of students to be included in Who's Who Among Students in American Colleges and Universities

REVIEWER: President, Student Government Association

OPERATING DETAILS:

1. A committee consisting of the Dean for Student Development and three other administrators whom she appoints with the approval of the Administrative Council; one faculty member from the Science and Mathematics Division, one faculty member from the Health, Physical Education and Recreation Division, and two faculty members from the Humanities Division to be appointed by Faculty Council; and the Presidents of Mortar Board, Torch, Lantern and SGA shall serve as the screening and selection body.
2. Any full-time MUW student who has earned not less than 87 hours with an overall QPA of not less than 2.50 may submit an application to the Office of Student Development. Applications can be obtained from any division head, the Student Development office or the Student Union office. The procedure for the selection of Who's Who candidates shall be as follows:
 - The Student Development office shall detach names from each application and assign a numerical identification to each application to prevent bias.
 - Committee members shall review the applications within a specified amount of time as set by the Office of Student Affairs.
 - Each Committee member shall rank separately the categories of scholarship, community service and extra-curricular activities on a scale from 0-10.
 - The results from all committee members will be tallied in order to obtain each candidate's total ranking number.
 - The totals for each candidate will be arranged in order from highest to lowest. The number of students chosen will be determined by the National Who's Who allocation for this university.

3. Students who receive Who's Who designation will be recognized at Awards Day.
