

TITLE: Criteria for Receiving Career Counseling Through the Student Counseling Center

AUTHOR: Director, Career Services

EFFECTIVE: December, 1982

PURPOSE: To define the criteria for individuals who may receive career counseling and testing through the Student Counseling Center

REVIEWER: Director, Career Services

OPERATING DETAILS:

1. Individuals who may utilize the career counseling services include:
 - a. Individuals who are enrolled as full or part-time "W" students.
 - b. Individuals who are enrolled in a workshop, seminar, or mini-course sponsored by "W" personnel during the period career counseling is requested.
 - c. Individuals who have submitted an admission application and application fee to the MUW Admissions Office.
2. Any exceptions to the above must be approved by the Director of Career Services.
